

Steno offers exceptional court reporting – *but it doesn't stop there.*

Unrivaled remote litigation technology. Concierge support every step of the way. A full suite of court reporting and litigation support services, with highlights that include:

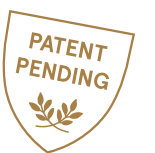

Court Reporting

RELIABLE COURT REPORTING FOR ALL YOUR LITIGATION NEEDS

- Certified Shorthand Reporters (CSR's) for both in-person and remote proceedings (for depositions, hearings, motions, arbitrations, and trials)
- Legal videography with text-to-video transcript synchronization and picture-in-picture video products
- Interpreting and translator services available upon request
- Interactive real-time and rough transcripts available upon request
- Equipment rental and delivery of video-enabled devices, backdrops, and Wi-Fi hotspots

Steno Connect App for Zoom

EXHIBIT HANDLING FOR REMOTE DEPOSITIONS

- Integrated exhibit handling for Zoom or web videoconferences
- Exhibits can be shared, opened, viewed, numbered, and downloaded directly in the platform
- Seamless, streamlined control over exhibit presentations
- Private previews and auto-numbering
- Access for all meeting participants, with only one admin
- For all remote proceedings, including depositions, bench trials, and more

Concierge Litigation Support Services

CUSTOMIZED SERVICES WITH A SERVICE-ORIENTED APPROACH
